4 August 2014

Principals Report

Did you know we have students’ art work displayed at the Butter Factory Arts Centre? Our commitment to the Arts as part of a fully rounded education for students is something I am very proud of and giving the students the opportunity to have their work displayed at an Art Gallery is something that is very significant. The display is alongside one by our art teacher Rosie Giblett. Please make sure take the chance to view the exhibitions before they close by 16 August. Congratulations to all students who have their work displayed.

Sunday week ago we had 6 teams of students enter the King of the Mountain Primary Schools race at Pomona. They performed magnificently and were a credit to our school. Unlike some schools that only choose their elite runners, anyone from our school who wanted to run was given the chance. It was so good to see our students perform so well and most of our teams finished in the top half in their event. Well done everyone and thank you to Mrs Dwyer for coaching them.

It has also been terrific to see the enthusiasm of students for Cooroy's Got Talent. The auditions have been held and finals will be held over the coming weeks. Whether you make the finals or not, well done for having a go. That’s what school is all about. Getting in and doing your best.

Our Showcase Week is just a week away now. We have a great array of activities for you to be part of. Please come down town next Tuesday as we showcase our talents in the streets of Cooroy. I have to congratulate the staff for coming on board with this and being willing to do the extra work required to make this happen. It has been a major organisational undertaking and our Curriculum Coordinator Kathryn Cook has been the person pulling it all together. Thank you Kathryn.

Our Prep Open Days start next week. Please spread the word about our great school to all families who have children of Prep age for 2015.

We received the incredible news last week that the results from the Language Perfect competition we are the number 1 primary school in the world from schools who took part. What an amazing achievement and a credit to our hard working students of French and to Oj Rugins.

This is my last newsletter before I start a period of long service leave. My wife and I have had an overseas trip planned for a number of years now, with three other couples, for this time in 2014. Karina will be back next week and Richard Barrie will be acting Principal while I am on leave. I will be back in early term 4.

Des

Survey of working parents in Queensland

The University of Queensland (UQ) is conducting a study investigating the impact of working life on Queensland children and families. The invitation is to all working parents who have a child aged 2 to 12 years to take part in our study by completing either an online or hard copy survey. They are particularly interested in and encourage the participation of Fly-in/Fly-out (FIFO) and Drive-in/Drive-out (DIDO) parents.

Who is conducting the study?

This study is being conducted by researchers from the Parenting and Family Support Centre (PFSC) at The University of Queensland (UQ).

What is the purpose of the study?

Working parents experience a number of pressures and challenges in raising their families. There are some families in our community dealing with very unique work circumstances that involve long work hours, extended periods of absences away from home, and risky work conditions. Such families include those with a FIFO/DIDO working parent.

This study aims to look at the impact of a wide range of work circumstances, including FIFO/DIDO work practices, on the wellbeing of children and families. We are also interested in finding out about the experiences and preferences for parenting and family support of families with busy working parents.

More information on the study can be found here: https://exp.psy.uq.edu.au/workingparents

Who is being asked to complete the survey?

- Working parents from the community who have a child aged between 2 and 12 years.
- FIFO and DIDO workers who have a child aged between 2 and 12 years.
• The partners of FIFO and DIDO workers who have a child aged between 2 and 12 years.

Please also do not hesitate to contact us if you have any questions.

Dr Cassy Dittman
Chief Investigator

'OUR STARS'

GREAT RESULTS GUARANTEE

Starting Semester 2 we will be using our Great Results funding to start an intensive reading program within the Prep to Year 2 classrooms. This will involve the teaching of explicit reading strategies with the aim of increasing letter-sound knowledge, sight words, reading levels and reading comprehension for all students. Additional teacher and teacher aide time has been provided to these year levels to help achieve these goals.

SCHOOL WIDE POSITIVE BEHAVIOUR SUPPORT

The SWPBS Possum Charts Have started fresh for Semester 2. The topics for week 3 “Care for yourself” and “Care for Others”- Entering and Leaving School, and week 4 “Care for Your School” and “Care for Your Learning”- Entering and Leaving School - Whole School.

B.S.M.'s BLOG

The term is certainly flying along and our current Direct to Market projects are in full throttle. Our painters have started on their projects while a few of the other planned maintenance projects are just about to commence. If you see tradesmen around the school during the term, please remember to be mindful of their work. Very stringent safety precautions are followed with all tradesmen working on school grounds to protect children and visitors to the school. The safety of the tradesmen also needs to be considered, so please respect signage and barrier fencing when you see it in place.

Another timely reminder that excursions, camps etc. all must be paid for in full prior to the date of the event. Failure to do so jeopardises the chances that your child can attend. With the Year 5 camp on the horizon, I am more than happy to talk to parents who would like to pay in instalments or enter into a payment plan if you feel you cannot make full payment before the camp date.

A revised Statement will be posted home this week, so please keep a look out for it and come in and see Annette in the Office if you have any queries regarding balance of money owing. There are over 30% of families who still have not paid for their annual Student Resource Scheme. We ask that these families make every effort to make even a part payment. It seems very unfair that so many families, some of whom are experiencing their own difficulties, make a herculean effort to pay the $60/child contribution towards their child/children’s education while others ignore the constant reminders.

Again, I am more than receptive to payment instalments or payment plans. There is also the option to make instalments through Centrepay, a scheme that deducts instalments from your Centrelink family payment before you receive it. Many families are now choosing this option.

If you have any question or further information on any of these areas, you are welcome to come in and see me or email me vmack2@eq.edu.au or phone me direct on 54722102.

With some classrooms receiving new furniture this year, we found we had a vast excess of old furniture that needed a loving home. We approached Rotary with the offer to take any or all of the furniture for their ongoing assistance projects in under privileged countries. Last week we were delighted to assist Rotary with the donation of an entire truck load of furniture which included chairs, desks, filing cabinets, cupboards and a couple of dozen of the old toilet roll dispensers that were replaced in the school earlier this year, along with some very old reading books. We were assured that all of our donations will be well received and will assist in fitting out schools in Papua New Guinea and a maternity hospital currently being built in Somalia.

Curriculum Corner

Showcase Week – 11th to 15th of August

As previously advertised, Showcase week is a celebration of all the wonderful things Cooroy SS students learn. It is a culmination of Education Week, Literacy and Numeracy Week, Science Week, Technology Week and Book Week. There will be lots of class displays and presentations, as well as a P-3 Sports Carnival with a Whole School Sports Finale, A Whole School Open Morning and a Prep Open Morning. We are inviting all parents, family and community members to participate in a great week. Please have a look at our schedule to see when you can come along and join in our celebrations.

Book Week Dress Up Day Celebrations – Theme is ‘Connect to Reading’

To celebrate Book Week, students will be able to come dressed as their favourite book character on Monday the 11th of August. This will be our first activity to kick of our Showcase Week. Students will assemble together near the office with their teacher at approximately 8.40am and parade through the school. All parents and guests are invited to celebrate with us during this fun event.

Cooroy Goes to Town

During Showcase Week, there will be groups of children going into town with their teacher to display and perform various skills that they have been learning. These include the Instrumental students, String students, some French students, Robotics students, Year 6 and 7 students reading stories etc. So if you are in town from approx. 11.30-1.00 take the opportunity to have a look and listen.

All children involved will have a permission form sent home. Please contact the relevant teacher if you are uncertain if your
child is going. Please return all permission forms as soon as possible.

“Learning never exhausts the mind.”

Leonardo da Vinci

Kathryn Cook
Curriculum Coordinator - STLaN - ASOT - GEM

Language Matters
It has been a very full and exciting week since our Bastille Day celebrations held on July 23rd, and our ‘highest placed primary school in the 2014 Language Perfect World Championships’ announcement! The visit of the St Teresa’s Catholic College exchange students from Paris and their teacher Mme Lourdie enhanced not only our Language Perfect certificate presentations but the class work that followed afterwards. Just the sound of the students’ names evokes images of a sentimental journey in a far off land – Grégoire, Marin, Lucie, Palmyre, Charles, Claire, Bénédicte, Astrid, Florence, Isabeau, Marie. You may have to hear these names pronounced by a native French speaker to fully appreciate this, and the fact that viewers Tweeted the ABC Q&A program on Monday night begging for David Suchet to utter Hercule Poirot in his wonderful Belgian-French accent, endorses the fact that there is indeed an aesthetic component to the spoken word, whatever the Language. I would like to say a big thank you to Mme Petitot over at St Teresa’s for sharing their students with us, and for sending along former students Kalani (who played le grand méchant loup two years ago) and Hannah (who danced to Alouette last year). I am quite sure that Mme Lourdie and her group thoroughly enjoyed our performance and presentations, so congratulations to all involved.

Coming up soon are our performances for showcase week. On Tuesday 12th August between 11.20 and 1.20 we will ‘go to town’ and do a roving version of our Brisbane French Festival performance, but not necessarily with the same students as quite a few have talents to display in other areas. It is a show of our strength in depth in French that we have no shortage of able and willing students to step up to these roles! We’ll be finishing up with the third of three performances at the Maison de Provence starting at 12.45, so parent followers might like to base themselves there perhaps. For the 12.40 session on Monday we’ll have 7U on show in the PLC in a lesson that demonstrates how effective the gestures approach is. However, in the interests of ‘upping the numbers of parents’, if you promise to attend, I will try to have your son/daughter involved. How’s that? Just send a message with your child in the preceding week.

On Wednesday 20th I will be attending a Language Education Forum at the University of the Sunshine Coast, giving a brief overview of what we have achieved at Cooroy and how. Then at the next Forum, about a month later, I would like to demonstrate all this with a group of our students, so watch this space!

The ‘next big thing’ is the MLTAQ Sunshine Coast Speech Contest for which preparations are well under way, both from the entrants and the organisers’ point of view. It’s at the University on Sunday 31st August from 10.00am to around 1.30pm. Parents of selected students will receive a letter by Friday 15th August. Again, to promote both the Speech Contest and Language Perfect (major Speech Contest sponsors) there will be a Sunshine Coast Language Perfect Competition running from 2.00pm on Monday 11th August to 2.00pm on Friday 29th August, which should see all our Year 4-7 students able to access Language Perfect again. There will be an iPod Shuffle up for grabs again. So far Cooroy students have won two!

Yet again, many thanks to all the parents and to my colleagues who have shown so much support for French this year. I would never have dreamt of driving along in my car, hearing one of our students speaking beautiful French on the ABC Coast FM radio airwaves, as I did this morning! Interview link on Facebook.

Merci infiniment!
Monsieur Rugins

PRESS RELEASE

Cooroy State School – Number 1 in the world.

This new school term sees a flurry of award presentations under way as 1151 schools around the world celebrate their students’ achievements in Language learning. Over ten days during May 2014, more than 300,000 students from 20 countries answered 174 million questions across 17 languages online in the fourth annual Language Perfect World Championships. For the fourth year running the champions were French immersion specialists Benowa State High School on the Gold Coast. However, Sunshine Coast schools had their best ever showing led by Cooroy State School (French) who were 51st overall globally (out of 1151 schools) and Mooloolaba State School (Japanese) in 60th position.

These two Sunshine Coast schools were the HIGHEST PLACED PRIMARY SCHOOLS in the world.

Cooroy State School was:

• The number 1 ranked primary school in the world
• 1st for French in QLD for the 101-250 students category (out of 145 schools)
• 6th in Australia for the 101-250 students category (out of 234 schools)
• 8th overall in QLD (out of 176 schools)
• 11th in the world in the 101-250 students category (out of 322 schools)
• 34th overall in Australia (out of 778 schools)

Students from Cooroy answered 261,235 questions in French over the competition period. Two students received Elite awards for earning over 10 000 points. They were Dylan Cross in year 7 and Alexander Clark in year 4.

In total 241 Years 4 to 7 Cooroy students spent 1,779 hours learning over 10 days.

Education Minister John-Paul Langbroek congratulated Cooroy and Mooloolaba State Schools on their fantastic achievements.

“Learning another language not only helps students build their communication skills but also fosters greater social and cultural understanding,” Mr Langbroek said.

3
“I’m thrilled to see our schools competing on the world stage and bringing home some fantastic results.

“I commend the students for their efforts and am looking forward to seeing them go on to achieve great success in the future.”

**Chappy’s Corner**

The coming of showcase week is causing much excitement in the lark room as the students from both choirs have got together for the first time to take song into the town of Cooroy.

A lot of learning of words has to happen in a very short time but I feel sure we will meet the challenge. We need to get all of the permission forms signed and back to school as soon as possible please. If the forms are not signed and returned to choir practice the student will have to remain at school.

Does anyone have any 8 ply wool that is no longer needed if so I would very much appreciate it. Just drop it off at the office or at Breakfast on Wednesday morning or better still come say hi to me in the newly painted the Lark room.

It’s great to see so many parents dropping into breakfast on a Wednesday morning. Our numbers keep growing so I guess we must make pretty good toast. Many thanks for the donations of Jam vegemite etc. Remember all welcome.

That’s all from me this week.

**Chappy Ett**

**Can you help?**

After all the wonderful, recent media coverage, the Outside School Hours Care Kindness Club has been contacted by the founder of The Kindness Project! The Kindness Project is a charity which strives to reach out into the local community and touch those less fortunate, by raising awareness and collecting donations to be distributed to those who need it most and who deserve a little kindness.

The COSHC Kindness Club will help collect items for the Kindness Project’s campaign “Little Helpers” The aim of their campaign is to collect food/pantry goods, which will then be donated to a local Sunshine Coast children’s charity - SunnyKids.

**Items wanted:**

- Pantry items
- Dry food goods

A donation box will be located at the Outside School Hours Care building each morning and afternoon for school families. Community members are also welcome to help and can bring donations to the COSHC building between the hours of 4pm - 5pm each weekday (via the assembly hall entrance). The charity drive ends 1st August.

Please help us help families in need!

**Cooroy SS Sports days**

This year, our sports days will start and finish with the athletes’ oath and a very special “Olympic” appearance!

On Friday August 1st our year 4-7 students will have competed in the 200m heats and the long distance finals. However, results for these events will be held over until our next newsletter due to news deadlines.

**Senior Sportsdays (Yr 4-7)**

Friday August 8th All day event

Sprints, field events (long jump, high jump, shot put)
Ball games, fun events, 200m finals, relays

**Junior Sportday (Prep – yr 3)**

Friday August 15th Morning and middle sessions (8.50am – 1.15pm)

Distance runs (300m/400m), sprints (60m/80m)
Relays, ball games and fun events.

**Cooroy All School Afternoon (Prep - yr 7, parents, carers and friends)**

Friday August 15th Afternoon session(1.30-1.45pm)

House team challenge - Giant tunnel ball
Parent/teacher/student challenge – leader ball & tug of war
Winning house team presentation

Please see below for the program outline for all sports days.

**COOROY SCHOOL COMMUNITY**

**SPORTS DAY AFTERNOON** Friday August 15 1.30 – 2.45pm

All parents and carers are invited to our Cooroy SS sports afternoon.

All students from prep to year 7 will take part in our unique finale to our sports days!

You are welcome to watch, cheer and participate in the following events.

**Events**

- House Team Challenge (all students)
- Parent/Teacher/Student Challenge
- Presentations of trophy to winning team and age champions

**Program**

- **1.30pm** Students gather in house teams on oval in front of hall with house team captains/banners.
  - War Cries and short explanation of afternoon

- **1.40pm** Arrival of Olympic torch and closing oath from school captains

- **1.50pm** House Team Challenge – Giant tunnel ball !!

- **2.10pm** Parent/Teacher/Student Challenge
  1. **Leader ball** in teams of 8
Fuel for the Game

Children playing sport use a lot of energy when both training and competing. Players prepare their body for sport by eating correctly beforehand to ensure they have sufficient energy.

Pre-sport fuel

Pre-game food and fluid intake are important to ensure the body is fully stocked before the sport begins.

Why should you eat before sport?

Training and competing in sport can reduce the body's energy reserves especially carbohydrate stores. This is why it is essential to replenish these after every session. But it doesn’t just stop there, it is important that carbohydrate recovery is continued right up until the start of play.

This ensures that you have enough essential energy to compete at 100% for the whole activity and not run out of energy as the activity goes on.

What should you eat before the game?

It is important that your pre-sport meal is something you like! And just as important that you eat something which you normally eat for breakfast!

Usually the pre-sport meal follows a few basic guidelines:

- High in carbohydrate
- Low in fat
- Foods you enjoy and are comfortable with
- Include a water with the meal

The timing of the pre-sport meal is also an important consideration as eating too close to the game can cause an upset stomach, while having something too far in advance can mean you are hungry during the game.

2-3 hours before sport

- Porridge or muesli or vita brits and milk
- Toast (wholegrain) with vegemite or avocado or banana or 1 egg
- Yoghurt, cereal, fruit
- Must include water

This allows enough time for food to be absorbed for use. The exact timing of the meal will depend on how your body handles the pre-game build up.

1-2 hours before sport

- muesli bar (not choc top) * yoghurt and fruit * Fruits * Whole wheat crackers *

Water

Sip water throughout the day rather than drink a lot at once. Carry your water bottle with you to long jump, high jump and shot put events.

Anxiety and nerves can cause disruptions in the digestion process and can lead to stomach upsets. If you are someone that suffers from nerves or anxiety it is a good idea to eat well before the game and consume lighter snacks or fluid choices.

King of the Mountain

Congratulations to our 24 students who took part in the Primary Schools relay section of the King of the Mountain. There were a record number of teams competing this year and most of our teams finished in the top half of their divisions. Some schools choose to try to put together elite teams only but we made sure our teams were well balanced.

The students are to be congratulated on never giving up when confronted with a fairly steep hill in the early part of the course. As great effort everyone and thanks to Mrs Dwyer for coaching the team and being there on the day.

Congratulations also to Dylan Cross who came third in an individual event.

P&C NEWS

Sports Day

Tuckshop will run as normal using the bag system HOWEVER the MENU will be REDUCED for the day with the following FOOD CHOICES ONLY (Chicken Fingers, Meat Lovers Pizza, Meat Pie, Spinach & Feta Parcel and Juice popper with goodie bag). This will apply to the whole school.

Sandwiches, Hot coffee for parents and visitors will be available at tuckshop, and the P & C will be running a Sausage Sizzle $2.50, Cold drinks $1.00 and other snacks on the oval 1st & 2nd Breaks on both Sports days (8th & 15th August).

Meal Deal forms for both days have been sent home.

Cent Auction

A Cent Auction will be held in October (date to be advised) and the P & C are looking for donations of quality items to raffle. Maybe you might have some unwanted gifts (you know when you pretend smile and say "that's nice") - Well bring them in, your donations will be much appreciated.

Donations can be left with Deb at the tuckshop and please feel free to talk to Deb and Robyn if you have any questions.

Portrait Fundraiser

Thank you to all the families who supported our Family Portrait fundraiser. The P & C was able to raise $520 with your support. A big thank you to Robyn Mole for all her efforts.

End of Year Festival

We would like to have another End Of Year Festival to celebrate all the children’s efforts throughout the year. We need parents help to make this happen.

We are calling on any parents that would be able to help us organise the day. You only need to help out as much as you can. We were hoping to form a little group of parents to help us take on this task. If you want to get a group of you together, or just help out yourself please phone Nichole 0413724863.

COMMUNITY NEWS

KIDSAFE

Information for parents/carers on trampoline safety

There is a fun safety video featuring Olympian Blake Gaudry and a fact card with a five-step safety checklist for trampolines. Aimed at parents and carers of young children, the fact card and video provide simple steps to follow to reduce the risk of children injuring themselves while using trampolines.

The safety video and fact card are available from the campaign site:

Cooroy Grass Roots Market

Starting 4th May & Every Sunday After
Cooroy Memorial Hall (Main Street) 8am - 1pm
Bring a pillow and chill at the Chill station Juice Bar
Stalls/Music/Food/Drinks
For Stall info Call Jessica - 0400 681 400

Remember when you believed in anything and everything?

Researchers from the University of Western Australia are investigating children’s tendencies to being tricked, fooled and misled by their peers. We are looking to see how this develops in children, and when children outgrow this.

We are looking for parents of Kindergarten – Year 6 children across Australia to complete an online survey (15 – 20 minutes). Participants will go into a draw to win one of 10 $50 gift certificates to Coles/Myers. To participate go to:

http://tinyurl.com/childsvq2

Or for more information please contact Rebecca Seward at (08) 6488 4652 or rebecca.seward@research.uwa.edu.au
