17 February 2014

Principal’s Report

What a wonderful celebration of student’s leadership we had on Assembly on Wednesday when we inducted our student leaders. I’d like to say a huge thank you to our Adopt a Cop Sgt Mal Scott for coming along as our special guest. Congratulations to our leaders! I am looking forward to a productive year working with them. They will all be heading to a Leadership day this Wednesday.

At this early stage of the year I would like to emphasise the importance of being at school on time every day. After two weeks of school, our attendance rate is already down to 97.1%. Congratulations to Years 3 & 6 who have an attendance rate at the moment of 98.6%. Please ensure that your child is only away when there is no other option. Giving your child the day off school to celebrate birthdays, people visiting etc. sends the message to children that school is not that important. Every day counts! Last Monday we had an attendance rate across the school of 99%. This is outstanding!

If your child misses just 2 days a term, over their school life they will have missed half a year of school. That is a huge chunk out of their learning.

Congratulations to our Year 1 students on the way they have handled their first swimming lessons. It is great to see their enthusiasm and happy faces as they headed off last week. Thanks to the staff for their patience in getting them organised.

We had a visit from Assistant Regional Director Steve Case on Friday. He spent an hour and a half with the Admin team looking at our plans for the year and working with us on strategies to further improve our school.

Last newsletter I mentioned the Great results program. As a staff we have been looking at ways we will be utilising the $107 000 we have to support students in Years Prep – 2. Our draft plans include looking at employing an additional teacher for 3 days per week to focus on reading in these year levels, additional teacher aide support, enhancing our reading resources and professional development of staff. This is a very exciting opportunity for our school. I will keep you informed as we continue to develop our proposal.

On Friday 28 February, we will be joining other schools in the Clean Up Australia Day event for schools. This is the first community event we will take part in this year. It is important for children to understand they are part of a community and should contribute to that community.

I’d like to again complement our students on their outstanding start to the year. Their behaviour has been fantastic and there has been lots of great work happening in classrooms.

Until next time

Des

Facebook:

Cooroy State School now has its own Facebook page. We will start using this as a way of providing information daily, if necessary, to you and also to share the great work the children of our school are doing.

Please like our page if you are a Facebook user. Unfortunately there are two other sites set up as Cooroy SS many years ago by unknown people so please like the right one. I am trying to get the other ones removed.

Look for the 2014 welcome message from me and a couple of current photos so you know you have the right Cooroy SS Facebook page. It is all part of our commitment to improve communication.

Des

ANTI BULLYING VISIT BY CANTERBURY BULLDOGS

As part of an anti bullying campaign by the NRL we will be visited by members of the Canterbury Bulldogs Rugby League team on Wednesday. The visit will be a 25 minute presentation with a strong anti bullying message.

All students in years 3 – 7 will be able to attend. Parents are most welcome to come along as well. It will be held in the Hall at 12.00

SCHOOL WIDE POSITIVE BEHAVIOUR SUPPORT

Students have been eagerly working on filling up their possum charts and earning catch-a-c’s. Well done!

The student focus for the following weeks will be:

Week 4

Care for Yourself in the Learning Environment

- I walk when in a room
- I use scissors and equipment safely
- I use furniture appropriately
- I ask permission to leave the room
- I am only in the classroom when a teacher is present
Parent Information Evening

Late Arrivals and Early Departures

Throughout 2013 you may remember that we transitioned to using electronic OneSchool rolls to record attendance. On the whole this has been very successful. One area we can further improve upon is the late arrival and early departure of students. It is a legal requirement that a child arriving late or leaving school early is signed in or out of the office. Therefore students arriving later than 9:00am in the morning or leaving earlier than 2:50pm will need to be signed in/out by a parent or carer. Your assistance with this is much appreciated.

1-2-3 MAGIC

Effective Discipline for children 2-12

We would like to invite parents to attend an upcoming series of 3 workshops designed to help parents with behaviour management strategies. Peta Cave, a Behaviour Support Consultant with Education Queensland, will be sharing the 1-2-3 MAGIC Programme with parents. The workshops will include information on

- Controlling difficult behaviour e.g. arguing, fighting, tantrums
- Encouraging good behaviour e.g. going to bed, doing homework, eating
- Strengthening your relationship with your child through the use of praise, active listening and shared fun.

The workshops will be held at Cooroy State School in the PLC (old library) on Tuesday 25th February, 4th March and 11th March. Each session will run from approximately 9:00am (after parade) until 12pm.

Participants will be required to purchase a workbook linked to the programme at a cost of $10. Morning tea is also included in this cost.

Should you wish to attend please contact the Cooroy State School office on (07) 5472 2100. Payment can also be made to the school office.

2014 Student Leaders Induction

Congratulations to those student leaders that were inducted at the ceremony held Wednesday 12th February.

I look forward to working with you throughout the year!

2014 School Captains

Back Row: Mr Des Deighton, Mr Mal Scott
Middle Row: Paige, Lillie, Charlie-ann, Noah, Saskia, Tess
Front Row: Thomas, Olivia, Delaney, Nicole

2014 House Captains

Back Row: Mr Des Deighton, Mr Mal Scott, Miss Karina Honeywell
Middle Row: Dylan, Tomas, Demi, Piper
Front Row: PJ, Sunny, Imola, Charlie

2014 Class Captains

Back Row: Mr Des Deighton, Mr Mal Scott
Middle Row: Jasper, Melody, Bailey, Jessica
Front Row: Daisy, Maddison, Elizabeth

'OURL STARS'

P&C NEWS

The P&C will be holding our first meeting for 2014 on Wednesday 26th February in the PLC room (old library) after parade. As always, all welcome!

The AGM will be held late in March (Date to be confirmed) and any parents interested in taking on a role in our Executive Committee feel free to contact myself for any information regarding 'soon to be vacant' positions. Some existing members of the Exec committee will continue for this year, but with vacant positions needing to be filled, it would be an excellent opportunity for the incoming committee to have us 'oldies' available to mentor (if needed) enabling a smooth transition.

Maree

STUDENT BANKING

Student banking to commence this Wednesday 19th February. Deposit books will be forwarded to the Tuckshop for processing. If you wish to commence banking, introduction packs were handed out last week.
Curriculum Corner

Whole School Intervention Program

The Whole School Intervention Program for Literacy and Numeracy has started for this semester for Year 2, 3, 5 and 7. It’s great to see students excited about learning. Have a chat with your child about what their target is for the next few weeks.

Upper 2 Bands Numeracy Project (U2B)

This is a regional project where students participate in an online environment by web conferencing and completing digital activities in the area of Numeracy and building problem solving skills. We started the U2B project in week 3 with some very enthusiastic students. A great start to the project.

Save the Date - Parent Information Night – 18th February

Come along to your child’s classroom to meet their new teacher and find out what will be happening in 2014 in their year level.

“Learning never exhausts the mind.” Leonardo da Vinci

Kathryn Cook
Curriculum Coordinator

B.S.M.'s BLOG

This week we have sent the first Statement of Accounts to families. These have been posted home to the address held by the school. If you do not receive a Statement by next week, please contact the Office and check that we have your most current address details.

The Statement details invoices that have been raised for a number of curriculum related areas so far:

- Mathletics On-line Membership – all children from Prep to Year 7 - $20
- Reading Eggs On-line Membership – all children from Prep to Year 3 - $15
- Into Science – all children in Year 7 - $20

Also:

- Children who are participating in the Instrumental Music (Strings) program - $40 own instrument or $80 if hiring a school instrument. Children in the Instrumental (Band) section are currently undergoing testing for entry to the program and will be notified shortly. For those families, invoices will then be generated for the Instrumental Band Section (fees will be same as Strings) and will appear on your next Statement.
- Year 1 Swimming Program - $35

And finally:

2014 Student Resource Scheme – Many thanks to all those families who have returned the Participation Agreement Form (pink form) for the 2014 Student Resource Scheme. Invoices have been generated to these families at $60/per child with a cap for families of three or more children of $180. We remind you that you may pay this in full or pay in instalments throughout Terms 1 – 3. We do ask however that all Student Resource Scheme fees are settled prior to the end of Term 3.

Families, who have not as yet returned their Agreement Form, are reminded that it is essential to return the form to the Office, whether or not you agree to participate. Should you opt not to participate in the scheme, we will require you to make an appointment time with either myself or Karina, the Deputy Principal, to discuss the alternative options for providing the same resources for your child/children for 2014.

Next month, we will be posting home a second Statement of Accounts which will include any unpaid items from the above list plus any excursions that your child/children will be participating in during this year. This will include Arts Council incursions, camps, sporting days etc. Our intention of invoicing early in the year is to give families a clear financial forecast of likely costs for all children in the family. Payment plans are always welcome.

If you have any questions regarding the above information, or if you would like to start a payment plan, please do not hesitate to come in and see me or contact me on 54722102 or by email vmack2@eq.edu.au

PHYS ED NEWS

Trials to select Noosa District teams will be held at various venues in term 1.

Year 6 & 7 students who are interested in attending any of these trials will need to demonstrate a high skill ability (for their age) and need to regularly participate in that sport, preferably at club level.

An information letter and permission note will be sent home with students who are nominated to attend the district trials.

This will need to be returned to the school office by the due date before students may attend the trials. Sports and dates for term 1 are detailed below.

**NOOSA DISTRICT SWIMMING TRIALS**

This Friday our Cooroy SS swimming team will compete in freestyle, backstroke, breaststroke and butterfly events at the Noosa Aquatic Centre.

Our swimmers will be aiming for selection in the Noosa District team.

Keep training hard, eat a good breakfast and swim fast!

Chloe Davies, Tia Emery, Tahila Huta, Lillie Mellin, Olivia James, Ella Wilkinson, Claudia Iriondo, Lauren Hewitt, Mikayla Stevens, Tess Davies, Saskia Tomlins, Isabel Kluck,

Many thanks to Maree James, Karla Trevor, Lisa Davies and Mrs. Tomlins who have offered to be timekeepers for one of the 3 swim sessions at the trials.

Our school is to provide a teacher as team manager and 2 adults to assist as officials throughout the day.

**We still require help for 2 sessions.**

Please let the school office know if you are able to chip in. It is really appreciated.

**Cricket Trials**

Both Dylan Cross and PJ Hill were unlucky to miss selection in the Noosa District cricket team recently. Both boys should be proud of their efforts. Keep batting and bowling… you never know when you’ll get the “call up”!

**Year 1 swimming**

Year 1 boys and girls have commenced swim lessons at Noosa High School pool.

The program goes for 6 weeks with swim instructors Jules Clifford and Jeff Braggins.

Children participate in water confidence, survival skills and swim skills including submerging, floats, bubbles, kicking as well as arm movements when ready. They’re having a blast!

**Active After School Communities Program**

This Australian Government program is run by the Australian Sports Commission and provides opportunities for primary school children to participate in free sport after school.

This term’s 7 week program – rugby league and tennis - has already started, but it’s not too late to grab a sign up form from the office and come to play.

**Top Tips on Health** *(for more interesting info visit www.1Seven.com)*

Better Breakfast Ideas for Kids

(excerpt from Assoc. Prof. Gordon S. Lynch)

Often referred to as the “most important meal of the day”, breakfast is especially vital for growing children.

And yet, research has revealed that up to one in five Aussie kids skip breakfast!

How do we address this alarming trend?

Perhaps a greater understanding of why breakfast is so important for children (and adults) may help.

**Breakfast is important for kids because it can help:**

- meet their daily nutritional needs including **vitamins and minerals** that are essential for growing bones and muscles
- improve their **attention span** and **academic performance** in the classroom
• improve their behaviour at school because their blood sugar levels are more stable and their tummies are satisfied
• keep their weight under control and their blood cholesterol and glucose levels in check.

Here are some quick and easy brekkies that will provide a nutritious start to the day.

- cereals topped with fruit and milk
- toast with peanut paste, banana, vegemite, avocado or baked beans
- boiled or poached egg with toast
- fresh fruit with natural yoghurt and/or natural muesli
- fruit smoothie
- a bowl of porridge with sultanas or banana

Meals on the run

Most families are pressed for time in the mornings scrambling to get ready for work and school. This shouldn't mean brekky is sacrificed in the rush!

Having a regular nutritional breakfast sets a good example for your kids and helps them develop good eating habits.

Get your kids involved in making their brekky – encourage them to get their own cereal, or pour the milk on, or spread the vegemite, or cut the fruit...

Lock in a breakfast routine to save time – maybe put out the cereal bowls, spoons and ingredients the night before so you are ready for action in the morning...

Aim to be a little more adventurous on weekends and holidays – try fruit pancakes, scrambled eggs or omelettes.

DEVELOPING YOUR CHILDREN’S MOVING SKILLS at HOME

Body awareness and control are essential skills in every sport. Children start to learn these skills in play and in movement games at home.

We always start with a warm-up which gets the blood moving to the muscles, raises the body temperature and helps joint movement.

This week the focus is on children aged 3-6yrs old.

Whole body warm up

Galloping, skipping, moving to music, dancing to a favourite song

Eye/foot and eye/hand Coordination

• Walk along a rope/masking tape or chalk line. The line could go from one room to another.
• Vary the pattern – straight, curved and zigzag.
• Roll playdough in hands – make balls of different sizes, squeeze it between fingers
• Screw lids on plastic containers
• Thread beads/shells/buttons onto shoelaces, wool or string (supervise young children)
• Allow children to dress themselves

• Roll a ball along the ground to a target such as a cardboard box or chair legs
• Roll a ball to hit a target such as a plastic milk bottle
• Throw objects into a container (socks into laundry basket or bucket)
• Make a bat from a rolled up newspaper. Use 2 hands then 1 hand to hit a ball or rolled up socks to score a goal (2 plastic milk bottles or 2 chairs).

Body Awareness

• Copy Cat – Place your hands on different body parts & ask children to copy you.
• Lie on the back – lift right arm & left leg in the air together (then change)
  - pat forehead and tap a foot on the ground at the same time
  - make a circle in the air with a foot
• Naming parts of the body as your child gets dressed
• Hokey Pokey
• Simon Says
• Mirrors – ask your child to name & touch parts of their own body as they look in a mirror
• Try moving the whole body – up & down, side to side, forwards & backwards, faster & slower, rolling, rocking, swinging, jumping (including trampolining)

Relaxation

• End an activity session with some relaxation. Have children focus on one stimulus such as their breathing, distant traffic, birds, rain.
• Roll a beach ball over their back, knead with a tennis ball
• Pretend to be a rag doll or a floppy clown
• Imagine being ice cream melting
• Guided imagery – child lies on back with eyes closed. Talk them through an imaginary situation such as being a parachute floating through the air or lying on the beach under an umbrella listening to the waves, etc.

Finger Paint recipe (As the paint requires boiling water, an adult should make this recipe)

2 tablespoons cornflour
small amount of cold water
boiling water
edible food colouring

Blend cornflour with cold water and colouring. Mix to a smooth paste. Pour in boiling water and stir rapidly until mixture thickens

Until next time….have fun!

Chappy Chat

Thank you to those of you who have donated towards our breakfast club, and for those of you who would like just a reminder that either bread, jam, vegemite or honey is always much appreciated. Last week we had about 86 for breakfast as
well as a couple of mums and younger siblings. Our wonderful volunteers from the Cooroy Uniting Church kept up the pace with the toast, and as always were impressed with the lovely manners of our students.

Chilling with Chappy for grades 1, 2 and 3 continues in the library, second break on Tuesday. This week we talked about and coloured in pictures of the Vietnamese New Year. Next week we might even get to try our skills with eating with chop sticks.

Choir practice for grades 1, 2, and 3 has started in the first break on Tuesday. First rehearsal went well with 28 very keen students.

Second break on Wednesday is for the grades 4, 5, 6 and 7, and this week we are having a scavenger hunt.

Craft will begin soon and I am looking for donations of any scrap wool anyone may have to spare. This can be given in at Breakfast on a Wednesday, or handed in to the office anytime.

All in all a great week

Chappy Ett

**COMMUNITY NEWS**

**FREE ‘COME AND TRY’ WINTER SPORTS EXPO & INFORMATION SESSIONS**

Free fruit and giveaways

Pre-register to score your free sports show bag on arrival

Noosa Council in partnership with the Australian Sports Commission’s Active After-School Communities program, Queensland Government’s Sport and Recreation Services and Sunshine Coast Council, invites all primary school aged children and their families to join in:

**Where:** Cooroy Sports Complex, Cooroy
Mary River Road, Cooroy
Registration in front of the Cricket/Football clubhouse

**When:** Tuesday 25th February 2014

**SPORT** | **CLUB**
---|---
TENNIS | Cooroy Tennis Club
SOCCER | Cooroora United Football Club
RUGBY LEAGUE | Noosa District Rugby League Club
NETBALL | Cooroora Netball Club
AFL | Pomona AFC
GYMNASTICS | Cooroy Gymnastics
RUGBY UNION | Eumundi Rugby Union Club

All local primary school-aged children are welcome to attend the free event and will also receive afternoon fruit and giveaways on offer.

As a bonus, local clubs will be on hand to take registrations for the WINTER season, meet the coaches and importantly provide an opportunity for children to have fun ‘test driving’ the range of sports on offer. Registrations can be done online and should only take a minute (see below). For further information email wendy.guthrie@noosa.qld.gov.au or call 5329 6452 or text 0416 292 661 with your child’s name, age and school by Thursday 20th February 2014.

Don’t forget your hat, sunscreen and runners/sport shoes and water bottles!

**REGISTER ONLINE NOW AT:**

**TO GET YOUR FREE SPORTS SHOW BAG ON ARRIVAL**

Stars of the future get in2CRICKET @ Tewantin-Noosa Cricket Club

Budding cricketers nationwide are taking their first steps towards becoming the next generation of cricket stars, as boys and girls join Tewantin-Noosa Cricket Club MILO in2CRICKET centre.

Designed for kids aged 5-10, over 160,000 kids took part in MILO in2CRICKET last year and 2013 promises to be bigger, better and even more fun with Tewantin-Noosa Cricket Club offering the program to boys and girls in the Noosa Shire Council.

Australian cricket is on the constant look out for the next generation of male and female stars and MILO in2CRICKET is the perfect way for kids to get active, have fun and start their journey towards the national team.
Australian Captain Michael Clarke knows value of MILO in2CRICKET, having graduated from its ranks to become captain of the Australian side.

“I remember my early cricket days in a junior program like MILO in2CRICKET many years ago,” Clarke said.

“The program is the perfect way for boys and girls to get into cricket, have fun and get active. I’d encourage all kids to get out there and give it a go.”

Commonwealth Bank Southern Star Elyse Perry also praised the program, in particular its focus on encouraging girls to participate.

“Each year I see more girls in the MILO in2CRICKET program and it’s really exciting to see them loving cricket as much as I do,” Perry said.

“The great thing about the program is girls and boys are involved together and have the same opportunity to enjoy it.”

Met North Regional Cricket Manager Matt Walter is excited about how the MILO in2CRICKET program can develop cricket in the Tewantin Noosa area.

“The MILO in2CRICKET program grew significantly last season and there are plenty of opportunities for local kids to get involved again this year in the area. It is the perfect program to get kids into cricket at a young age.

“The enjoyment kids get from the program is obvious and it’s a great way for parents to aid their child’s physical development in a safe and fun environment.”

The program costs $65.00 and they receive great backpack that fits a Bat, Ball, Hat, Shirt and Drink Bottle as well as the 5 week program. There is a Come and Try / Registration session on Friday the 21st of Feb at 4pm at Read Park, Opposite Tewantin State School. The program will officially start the week after at 4pm on the 28th of Feb and finish on the 28th of March.

To Register for the program or for more information please call Brett Lea on 0458 995 661 or see www.tewantinnoosacricketclub.com.au to register online now.

Sensory Movie Day Sunshine Coast For Families with Special Needs

CLOUDY WITH A CHANCE OF MEATBALLS 2

2pm Sunday 23rd February

Sensory Movie Day is for families to feel welcome while their children are free to roam around the cinema, and be themselves. Lighting stays on dim and the volume is adjusted. This is a non-judgmental session and no need for families to feel uncomfortable. On the day we will have a table set up with information and support service available.

The Movie Day is held at Birch Carroll & Coyle Maroochydore. Free membership Movie Day cards are required to purchase tickets. No diagnosis needed. **Tickets are $8 each** and available to purchase at the cinema (not available online). Children under 2 years of age are free. Companion Cards are accepted.
