Principal's Report

Dear Parents and Caregivers,

What a fantastic week we have had to celebrate a strong end to the term!! Students have been busy over the past few weeks working hard on assessments and building on their learning to achieve their goals. It has been great to see this week filled with some fun and rewarding activities for students to culminate the semester's work. I am very proud of the achievements of our students this semester, particularly in their English grades on their report cards. We have seen a lift in the number of students receiving a C grade or above in our start of the year data and this is something to celebrate! Next term we will focus our attention on reading and building the profile of reading in our school.

I wish our Cooroy community a safe and restful break and look forward to seeing you all again after the break!

Kind regards,

Shannyn

Operation Jump Street Reborn

The school has been advised that over the next 3 to 4 months, the Highway Patrol Sunshine Coast will commence Operation Jump Street Reborn in our area. This type of traffic enforcement has been conducted several times since 2013 and each time has identified numerous traffic offences at schools across the Sunshine Coast. Police from Highway Patrol will be conducting plain clothes patrols of Elm Street and will be complemented with personal covert video surveillance to assist police with evidence gathering for court purposes, should breaches of the road rules occur.

During this operation police will be targeting the following traffic offences:

- **Illegal parking in No Stopping Zones/Drop Off Zones**
- **Double Parking**
- **Parking on Footpaths**
- **Parking in Bus Stops**
- **Driver's Using Hand Held Mobile Phones**
- **Seatbelt offences (driver and passengers including children)**
- **Crossing double/single continuous dividing lines**
- **Any other breaches of the road rules**

Police will be gathering evidence for court purposes through the use of body worn camera devices. This practice will help to eliminate the need for Police to interview drivers when breaches of the road rules are detected. All plain clothes police officers will be carrying official police identification and will present this ID to any person they may wish to speak with. If any person requests to see police ID, then police will present it for inspection.

This operation has a zero tolerance on any breaches detected meaning that offenders can expect action to be taken against them should they breach road rules in front of the school

Deputy Principal's Report

I congratulate all of our hardworking students and staff on a fantastic Semester One. Thank you to our parents, caregivers and families on your valued support of the school and in your child's educational journey with us. It has been very pleasing to view the academic growth of students both through student report cards and staff celebrations of learning. I'd like to also acknowledge and wish Mrs Shannyn Taylor a huge well done on her first Semester at Cooroy SS and the significant positive impact she has made on our school to date. Thank you, Shannyn.

Some school updates;

4-6 Athletics Day 2022

We had an extremely successful and memorable Athletics Day for grades 4-6 on Wednesday the 22nd of June. This all-day event was well supported by students and families and what a sensational day it was weatherwise. In the end, COOK House claimed the overall championship in what has been quite a while since they last held the shield. I wish to congratulate all students on their amazing behaviour and positive participation on the day, with all students representing the school proudly.

Congratulations to our Age Champions and House Captains on their huge efforts on the day. I also wish to acknowledge our hard-working P&C who catered for students and families with food and goodies from the hall canteen and contributed so much on the day. A big thank you goes out to Billy for his efforts on the day and our hard working organising committee; Saasha Whitworth, Hillary Dwyer and Stacey-Anne Connell.

Positive Transitions – Year 6 & Prep 2023

- Weeks 1-2 – Visit from NDSHS staff to present to Cooroy SS students.
- Week 2, Friday 22/7/22 – All year 6 students attending Pomona Campus for a school visit with other incoming year 6 students from their various schools.
